#### Joseph Smith—History 1:12

Never did any **passage** of **scripture** come with more **power** to the **heart** of man than this did at this time to mine. It seemed to **enter** with great **force** into every **feeling** of my heart. I **reflected** on it **again** and again, knowing that if any person needed **wisdom** from God, I did; for how to act I did not know, and unless I could get more **wisdom** than I then had, I would **never know**; for the **teachers** of **religion** of the different sects **understood** the same passages of scripture so **differently** as to **destroy** all **confidence** in settling the **question** by an **appeal** to the **Bible**.

# Family Search

By Arie Van De Graaff

Pretend you just heard a family story about someone who joined the Church while at college. They're the first member of the Church in your family! You didn't hear their name, though, so do this activity to find out who it was. Start in the upper left corner and draw a straight line from each two-letter bubble that spells out the phrase "Family History—The Spirit of Elijah." When you're done, look for the one photo that doesn't have a line through it. This is the family member you're looking for!
